Platform + Browser Experience / Motion  
Graphics / Animation / Video Editing /  
Illustration / Sketch App / Photoshop /  
Illustrator / Flash / After Effects / Premiere

### + WHO I AM

At my core? I'm a learner. I dabble in different things because I believe that one art form informs the others. Eye popping animation can bring a website to life, illustration can add character to an otherwise boring photo, graphic design can help to establish interesting color choices and patterns in animation—you get the idea. Everything I learn only improves on what I already know and opens up even more possibilities.

Nothing becomes impossible.

### + EXPERIENCE

#### Front-end Developer

Launch That : Orlando, FL

April 2017 - Present

+ Designed and built new components for company websites.

+ Designed and developed new Wordpress template pages using Laravel Blade and Twig/ACF.

#### Web Designer

NetSource Technologies : Ocala, FL

November 2012 - March 2017

+ Collaborated with sales team, programmers, and clients through all steps of the website creation process from UI/UX to website launch.

+ Advised clients on identity and strategy; worked to understand client end goals and needs while also being an advocate for the end user.

+ Established and maintained rapport with clients and team members.

#### Production Intern

WCJB TV20 : Gainesville, FL

March 2009 - April 2009

+ Edited video footage for use in television commercials, designed and animated motion graphics for advertisements / commercials.

+ Worked with supervisors and clients to produce appealing advertisements.
